

BRIK FLOW

Fräsch was founded on the belief that creating healthy and beautiful office environments leads to a happier and highly motivated workforce.

BRIK FLOW 2'x2'

ACOUSTIC WALL TILE

When struggling with echos and sound transfer between offices and conference rooms, a custom-designed BRIK FLOW wall can mitigate these problems while adding a beautiful accent wall. BRIK FLOW comes with chamfered edges, multiple design options and effortless installation.

Application Wall
