

FELTLAP

Fräsch was founded on the belief that creating healthy and beautiful office environments leads to a happier and highly motivated workforce.

FELTLAP

Acoustical Wall Tile

FELTLAP is a series of interlocking 100% PET panels that can be installed directly to the wall. Its built-in 27mm air cavity provides optimal acoustical performance. Nest FELTLAP together for a finished, polished look without any visible hardware. Choose from our extensive array of colors or if a wood-look is preferred, opt for custom printing.

Application Acoustic Wall Tile

Hardware:

No Hardware required. For a more finished look, see our Flannery Extrusion documentation [here](#):

[**Flannery Product Specification**](#)

Material Content 9 mm 100% PET (55% recycled content)

Flammability ASTM E84 Class A or B

Acoustics

Frequency (Hz)	250	500	1K	2K	NRC
NRC	0.26	.65	1.00	1.07	.75
Sabins per m²	1.55	3.95	6.03	6.44	

Test was conducted while product was in its actual installation setting

All NRC testings assumes one face/one object and does not account for the product thickness

Environment Low VOC;
Post-Consumer Recycled Content
100% Recyclable

Installation

Installation requires minimal assembly of pre-assembled panels and fastener hardware. See the FELTLAP complete installation manual for details.

Country of Origin USA

Warranty 2 Years
