

HASHTAG

Fräsch was founded on the belief that creating healthy and beautiful office environments leads to a happier and highly motivated workforce.

HASHTAG

Acoustical Baffle

Hashtag is a unique and customizable suspension system that incorporates our proprietary hardware technology and provides optimal acoustic performance. Connect multiple hashtags in one hue for striking visual impact or use varying colors for an infusion of creativity. Maintain the hashtag appearance or use our corner and connecting pieces to grow the shape or close off squares for a more angular appearance.

Application Ceiling Baffle

Hardware: [quantities based on configuration]

- Aircraft Cable
- 2-way Conecta
- Cable Crimp
- Torsion Spring

Material Content 9 mm 100% PET (55% recycled content)

Flammability ASTM E84 Class A or B

Acoustics

Frequency (Hz)	250	500	1K	2K	NRC
NRC	0.57	0.90	1.36	1.61	1.10
Sabins per m ²	4.45	7.05	10.62	12.61	

Test was conducted while product was in its actual installation setting

All NRC testings assumes one face/one object and does not account for the product thickness

Environment Low VOC;
Post-Consumer Recycled Content
100% Recyclable

Installation

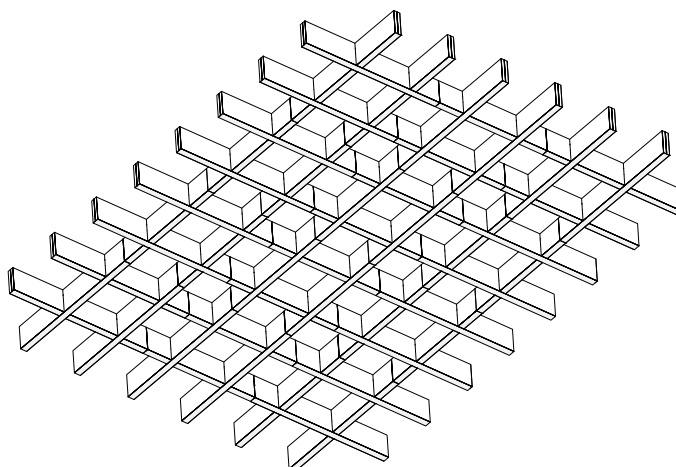

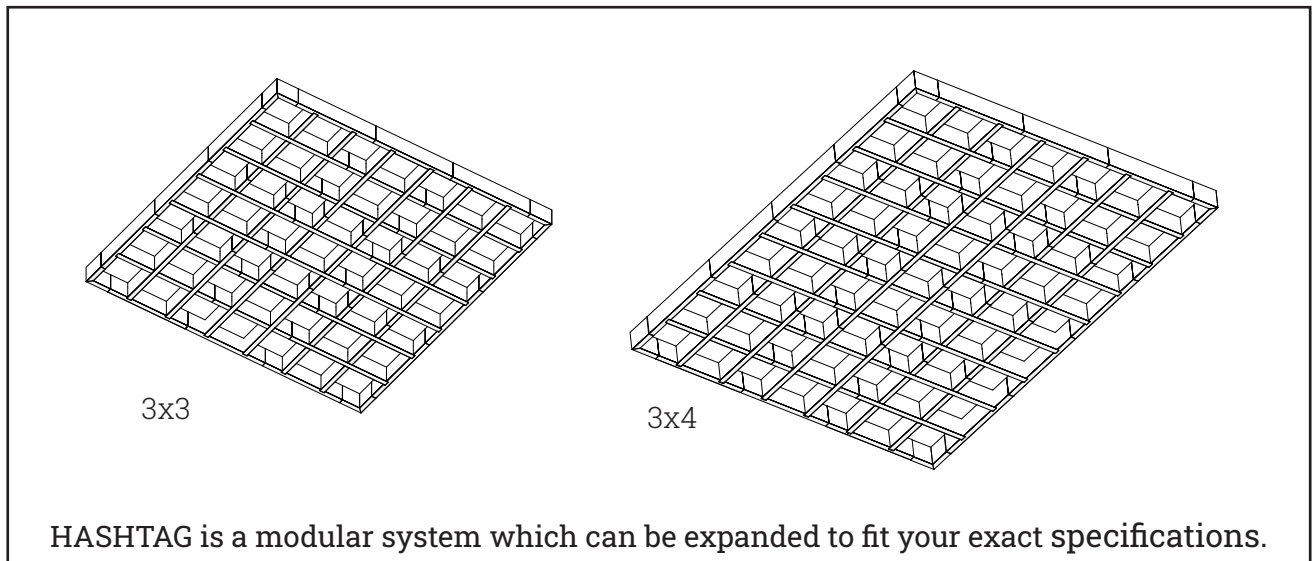

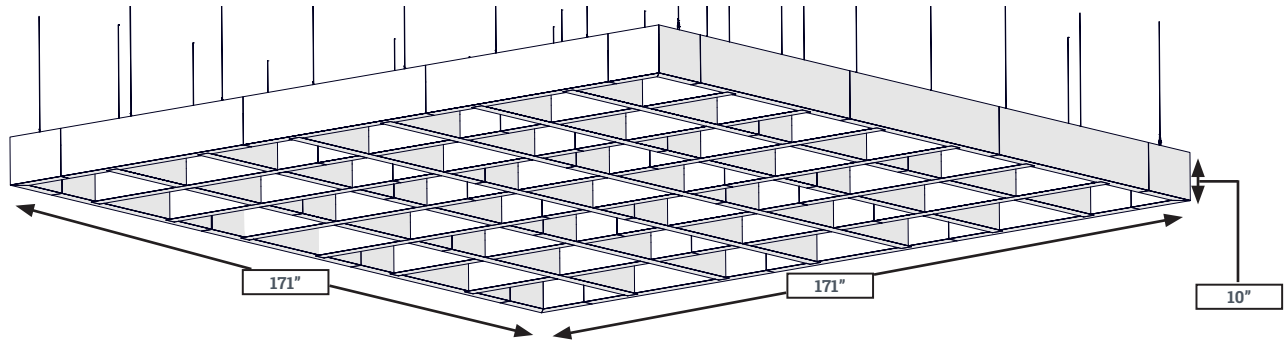

Installation requires minimal assembly of pre-assembles panels and suspension hardware. See the HASHTAG complete installation manual for details.

Country of Origin USA

Warranty 2 Years

HASHTAG

DIMENSIONS

The side panels around the perimeter can be omitted to create the "hashtag" appearance.
