

## PANL

Fräsch was founded on the belief that creating healthy and beautiful office environments leads to a happier and highly motivated workforce.

# PANL

## PET Felt Screens

The PANL walls create a visual and acoustical division for your space. The pattern allows light to go through while providing an acoustical value and privacy. These free-flowing screens are a fantastic way to divide a space, add acoustical properties, and allow for endless possibilities to personalize with perforation styles.

**Application** Room Divider

	L	W	H	WEIGHT
<b>PANL</b>	48"	.35"	96"	1.02 lbs.

Custom sizing available

Custom perforated and print options available
