

HUT | Privacy Pod

HUT is a modular and lightweight acoustical enclosure that ships knockdown and flat for quick and straightforward assembly thanks to our proprietary hardware technology. Placed in an open space, it can serve as a private retreat to rest, recharge or research—almost like an “office within an office”. Placed in a lobby, it’s a fun and funky waiting area for visitors. Customize its color and size to suit your space.

Dimensions:

84" L x 47" W x 87" H
Custom Sizes Available
